

Dear Hiring Team at Trimble¹

I am excited to express my interest in the Software Engineer Intern position at Trimble in Princeton, NJ. As a detail-oriented and motivated candidate currently pursuing a degree in Computer Science, I am eager to bring my coding and programming skills to your esteemed MAPS department. The opportunity to work on challenging and meaningful tasks in a professional setting while contributing to Trimble's vision of innovation is truly inspiring.

I am particularly drawn to the hands-on experience and the chance to collaborate with development teams on complex projects, honing both technical skills and leadership abilities. I believe that my proficiency in languages like Python and Java, coupled with my ability to think critically and work effectively both independently and as part of a team, align well with the key responsibilities outlined for the role. I am confident that my creativity, problem-solving approach, and passion for technology make me a strong fit for this internship opportunity.

I greatly appreciate Trimble's commitment to diversity and inclusion, and I am excited about the prospect of contributing to a global impact as part of your community. I am looking forward to the opportunity to grow both personally and professionally through the internship program, and I am confident that my skills and experience make me a valuable addition to the Trimble team. Thank you for considering my application. I am eager to discuss how my background, skills, and enthusiasm can contribute to the success of Trimble. I am available for an interview at your earliest convenience. Thank you for your time and consideration. Sincerely, null null

Sincerely, null null
